CSCA Part I Exam

Part I Scoring

A result of 75% or higher is required to pass the Part I Exam.

Each correct answer is worth 1 mark.

The exam is negatively marked, meaning that for any incorrect answers, 0.25 marks will be deducted from the total score.

Exam Results

Results are communicated within **14 business days.**

If 14 business days have elapsed and no communication received, please contact exam@theapsca.org or director@theapsca.org

Failure to pay the exam fee at least 7 days prior to the appointment may lead to a delay in results, or the exam being disallowed.

Accessing & Reading Results

Exam results will be emailed to Auditors and uploaded to Auditor's APSCA online My Account

Go to the 'Invoices' tab online to review the results. In the entry for each exam taken a column for pass/fail will be visible, this is where the overall exam result is found.

Under 'Exam Results' a downloadable copy of the exam report will be available.

Next Steps

75% +

Congratulations!

Time to prepare for Part II

Auditors should talk to their Member Firms to express interest in sitting the next exam

Independent Auditors should contact exam@theapsca.org

Pass

74% or lower

Not to worry! Time to prepare to resit Part I:

Auditors should work with their Member Firm training team to prepare.

Review the exam report and plan study around areas of opportunity & strength.

Utilize practice exams and revision tools.

A 14-day lead time is required for rebooked exams
