

New browser requirements

Guardian Browser

As of **February 28th 2023**, Auditors will need to ensure they have downloaded the new ProctorU safe and secure browser called **Guardian**

This browser must be downloaded **before the scheduled exam**

If you are sitting an **alternate language exam** and using right-click translate services please also ensure the **Chrome Browser** is downloaded onto your device as well as the Guardian Browser.

Please read Section 9 of the [Auditor Handbook](#) for instructions on how to download the new browser
