All RA level Auditors must sit their Part III Exam by the deadline **30 May 2023**.

All RA level Auditors who do not sit the Part III exam by this deadline will have their Auditor level changed to ASCA in **June 2023**.

### Updated Short Term Guidance - between 1 April 2023 - 30 September 2023

Beginning on 1 April 2023, all RA level auditors eligible to sit for Part III (regardless of the number of previous attempts, if any) will do so under the following framework (applicable only to Part III exams):

- Must have sat at least their first attempt no later than 31 May 2023 (anyone not sitting for the first time by this date will be moved to ASCA)
- Auditors obtaining 75% or above will become CSCA; Auditors who score between 65 – 74.99% retain (or get reinstated to) their RA level
- These RAs may re-sit the exam multiple times prior to 30 September, 2023, under the same rules as above (becoming CSCA if scoring above 75% or retaining RA if scoring above 65%)

Beginning 1 October 2023, any auditor that has not passed Part III will be moved to ASCA until they pass Part III.

All RAs will be phased out as of 1 October 2023
